

BASIC AND FURTHER TRAINING ARE IMPORTANT TO US

YOUR INTRODUCTION TO THE NEW DIMENSION OF TEST TECHNOLOGY WITHIN THE CONTEXT OF BASIC AND FURTHER TRAINING

IZYTRONIQ EDUCATION

Your basic and further training is important to us! That's why Gossen Metrawatt is pleased to offer you a new dimension in test technology where basic and further training are involved as well – with especially attractive conditions.

The scope of functions of both Education variants is identical to that of IZYTRONIQ Business Professional and Business Premium.

All persons participating in basic and further training, for example teachers, instructors, trainees and students, are authorized to use the Education variants.
